# The 2<sup>nd</sup> International Conference in Education

PROMOTING BASIC EDUCATION FOR SUSTAINABLE DEVELOPMENT  
 CONFERENCE DATES OCTOBER 2024 (16<sup>th</sup> to 18<sup>th</sup>)

## CALL FOR ABSTRACTS AND PAPERS

The Open University of Tanzania is delighted to invite scholars, researchers, and students worldwide to participate in the 2nd International Conference in Education titled: "Promoting Basic Education for Sustainable Development". Our conference serves as a dynamic platform for exchanging ideas and research findings to advance basic education. This event promises to be both enlightening and enriching, featuring keynote presentations, engaging discussions, paper presentations in parallel panel sessions, captivating PowerPoint displays, and inspiring exhibitions. We welcome contributions from academicians, scientists, researchers, and students across various disciplines, fostering interdisciplinary dialogue and collaboration. Attendees, whether observers or presenters, can share their innovative ideas, insights, and discoveries on the conference themes. Outstanding submissions will have the chance to be published in special issues of peer-reviewed journals, amplifying their impact and reach. Additionally, all contributions will be included in the comprehensive conference proceedings, ensuring widespread dissemination of knowledge and insights. Join us to explore new frontiers of basic education, promote innovation, and cultivate the essential skills needed for the 21st century. Your participation is invaluable, and we look forward to the meaningful contributions you will bring to our global academic community.
